- Video and audio footage from dashboard cameras fitted inside all Medvivo vehicles (Dash Cams)

How will we use the personal data we collect about you?

We may use your personal data in the following ways:

- To ensure that the information we hold about you is kept up to date
- To facilitate the correct payment of salary and any applicable benefit or allowance
- To set up and provide IT system access accounts
- To deal with any employee/employers related dispute that may arise
- To prevent and detect fraud and other crime
- To comply with contractual and legal obligations
- To facilitate background checks (DBS) for applicable roles
- To provide information to the Adult Social Care Workforce Data Set
- To deliver inoculations when required

Any medical or health related personal data will be treated with confidence in line with the Common Law Duty of Confidence.

CCTV

Dash cam footage (including audio) is captured to help us ensure the safety and security of our staff and members of the public.

Dash cam footage (including audio) is managed in the same way as all other personal data processed by us and in line with current legislation.

Call recording

All calls made from and received by Medvivo are recorded and may be used to support the learning and development of our staff. They may also be used when reviewing incidents, compliments or complaints.

Call recordings are managed in the same way as all other personal data processed by us and in line with current legislation.

Data processors

We may use the services of a data processor to assist us with some of our data processing, but this is done under a contract with direct instruction from us that controls how they will handle employee information and ensures they treat any information in line with the General Data Protection Regulation, confidentiality, privacy law, and any other laws that apply.

How will we share your personal information?

If your role requires a standard or enhanced DBS check, we will share your personal data entered on the DBS form with the Disclosure and Barring Service.

Further details on how the DBS will process your personal data are available here:

<https://www.gov.uk/government/publications/dbs-privacy-policies>

We will not share your information with third parties without your consent unless the law allows or requires us to.

International Data Transfers

We will share the personal data of the response team members with Skills for Care Ltd as part of the Adult Social Care Workforce Data Set (ASC-WDS).

Whenever Skills for Care transfer your personal data out of the EEA, they will ensure a similar degree of protection is afforded to it by ensuring they use specific contracts approved by the European Commission which give personal data the same protection it has in Europe.

Please contact the HR team if you want further information on the specific mechanism used by Skills for Care when transferring your personal data out of the EEA.

How long do we keep your personal data

We will retain your personal data held in our HR systems for 6 years after you leave the employment of Medvivo Group Ltd.

We will retain your personal data used for the delivery of inoculations for 8 years after the inoculation.

Legal Basis

The processing of your personal data is required in order that we can fulfil our obligations under the contract of employment between Medvivo Group Ltd and yourself.

We will use your sensitive personal information, such as that relating to your race, ethnic origin, and health for the purposes of the performance or exercise of our or your rights and obligations under employment law or where the processing is necessary for the purpose of preventative medicine or an assessment of your fitness for work.

It is in our, yours and the public's legitimate interests to ensure the safety and security of our staff and members of the public. The processing of your personal data from the dash cam footage is necessary for this purpose.

In some circumstances, we may process your personal information on the basis that:

- we are required to do so in order to comply with legal obligations to which we are subject;
- in the establishment, exercise or defence of a legal claim;
- or
- you have given us your explicit consent to do so

COVID-19 Antibody Testing

We are required by NHS England and NHS Improvement to offer COVID-19 antibody tests to all staff.

We will collect your personal information via an online form when you agree to have a COVID-19 antibody test and when we arrange an appointment for the COVID-19 antibody test.

We will process the following additional personal data as part of the test:

- NHS Number

We will use your personal information in the following ways:

- To keep a record of all booked COVID-19 antibody tests
- To book you an appointment for your COVID-19 antibody test in our Adastra clinical system
- To allow the RUH or SFT laboratory to identify your COVID-19 antibody test
- To enable us to investigate any incidents, complaints or compliments we may receive

Any medical or health related personal information will be treated with confidence in line with the Common Law Duty of Confidence.

Any reporting (such as the number of tests completed) will be completely anonymous.

We will share your information with either the RUH or SFT hospital laboratory to enable them to process your COVID-19 antibody test.

We will not record the results of the test on your employment record but will retain a record of who has completed a COVID-19 antibody test and this will be kept for 6 years after you leave the employment of Medvivo.

Following instruction from NHS England and Improvement, your antibody test results may be automatically added to your patient clinical record held by your registered GP practice.

The hospital laboratories will retain your personal information contained in their systems as per their own retention schedules.

Your rights

You have a right to:

- access the information we hold about you;
- correct inaccuracies in the information we hold about you;
- withdraw any consent you have given to the use of your information;
- complain to the relevant supervisory authority in any jurisdiction about our use of your information; and
- in some circumstances:
 - erase information we hold about you;
 - receive a copy of your personal data in an electronic format and require us to provide this information to a third party;
 - restrict the use of information we hold about you; and
 - object to the use of information we hold about you.

You can exercise these rights by contacting us as detailed below.
